

Board of Directors Opportunity

Seattle Neighborhood Group is seeking new board members who are passionate about keeping our neighborhoods safe. Our mission is to prevent crime and build community through partnerships with residents, businesses, law enforcement and other organizations.

This is a particularly exciting time to join our board as we are in the process of hiring a new Executive Director and will be engaging in a strategic planning process in the coming year.

We are looking to add board members with experience in or interest in learning about strategic planning, fund development, board governance and finance. Average monthly time commitment is 5-10 hours.

Please consider joining us.
