**Form 990 - Organization's Mission**

Seattle Neighborhood Group educates, organizes, and collaborates with residents, businesses, government entities and other organizations to create safe communities through equitable engagement, with a focus on underserved populations.

Seattle Neighborhood Group envisions crime-free communities where people work together to solve problems, children play without fear and businesses thrive.

**Form 990, Part III, Line 4a - First Accomplishment**

2020 was a unique year. The outbreak of COVID-19 created a global pandemic which forced our communities and businesses to close for part of the year. As a result, we had to adjust and quickly pivot to address the challenges and needs of our communities.

The IMPACT! Safe Schools student leadership conference is typically held in person. However, due to schools being closed, we hosted our first online conference. Nearly 100 high school students participated in the online event. The conference featured guest speakers from the National Alliance for Mental Illness, University of Washington Clinical Psychology, and youth from Skyline High School in Issaquah. The theme for the conference was suicide prevention and mental health awareness, which was timely for the students given the challenges of isolation and remote learning. Seattle Neighborhood Group staff participated in breakout rooms alongside

facilitators allowing space for voices to be heard. Further, the keynote address was informative and insightful, addressing coping strategies and understanding how mental health occurs in a clinical sense.

**Business Safety Program:** Seattle Neighborhood Group staff connected with more than 20 small businesses and three neighborhood business associations about crime and public safety concerns over the course of 2020. Some of these interactions happened informally as we did outreach near our hotspot sites or were requested by neighbors to speak to business owners. Each business we encountered had unique concerns, but we found common themes emerging through our conversations, which largely related to COVID-19, increases in homelessness, and changes to Seattle Police Department and their ability to respond to incidents and enforce laws.

**Safe Rental Properties Program:** We did outreach this year to several rental housing properties, including low-income housing, senior housing, and facilities that serve people living with serious mental illnesses, substance use disorders, and/or chronic health conditions. We connected with property managers, residents, and staff by phone, email, and in-person to ask questions related to their experiences as managers and renters, what impacted their safety the most, and what would attract them to a safety-based workshop for rental properties. We also asked general questions about perception of safety and safety issues they experience in everyday life.

**Rainier Beach: A Beautiful Safe Place for Youth (ABSPY)** is an innovative and community-led crime prevention initiative in the Rainier Beach neighborhood of Seattle as a community-led, non-arrest approach reducing

crime and victimization that affects youth at historic crime "hotspots".

Form 990, Part III, Line 4b - Second Accomplishment

The Safe Communities project emphasizes crime prevention and community building in Seattle's most vulnerable communities through collaborative partnerships. We provide leadership development, crime prevention education, grass roots organizing and crime "hotspot" problem solving. Outcomes include connecting people to their communities and providing access to community services and activities. We work to reduce the specific community risk factors of community disorganization; perceived availability of drugs and firearms; and laws and norms favorable to neighborhood attachment. Seattle Neighborhood Group collaborates in place-based problem-solving using Crime Prevention Through Environmental Design site analysis in high crime locations, provides community support at various events, conducts community education in Crime Prevention for Property Owners & Managers, Personal Safety, Vehicle Security, and Identifying Suspicious Activity. Our brochures are available in 11 languages and our trainings regularly incorporate interpretation for various language groups as needed.
